---

## Objective

Dynamic and detail-oriented undergraduate student with a passion for problem-solving, data analysis, and strategic decision-making. Seeking the role of Consulting Intern at Ernst & Young to contribute to impactful projects while enhancing my analytical and consulting skills.

---

## Education

### Ashoka University

*Bachelor's in Economics and Finance (Expected 2028)*

---

## Experience

### Volunteer, Career Development Office (CDO), Ashoka University

*August 2024*

- Facilitated seamless communication between students and recruiters during Deloitte and EY interviews.
- Tracked interview statuses and managed logistical support, ensuring an efficient process.
- Developed problem-solving and networking skills through real-time coordination and issue resolution.

### Social Media Team Member, Ujjiwan Club, Ashoka University

*December 2024 – Present*

- Assisted in managing Ujjiwan's social media accounts to promote financial literacy initiatives across campus.
  - Developed and implemented content plans that contributed to a steady increase in audience engagement.
  - Supported the production of the club's podcast, helping to communicate its mission effectively to a broader audience.
- 

## Key Skills

- **Analytical Thinking:** Proficient in breaking down complex problems and developing actionable solutions.
  - **Research & Data Analysis:** Experienced in qualitative and quantitative research methodologies.
  - **Collaboration:** Strong team player with a track record of fostering productive partnerships.
  - **Communication:** Excellent verbal and written communication skills, adept at presenting data-driven insights.
  - **Technical Proficiency:** Skilled in Microsoft Excel, Canva, and basic data visualization tools.
- 

## Achievements

- Recognized for problem-solving during Day 0 interviews for Deloitte and EY.
